RE: Crab Feed Update and Circle of Hope Launch

Dear Friend of CASA,

These have been challenging times for all of us. CASA of Fresno and Madera Counties is hard at work and dedicated to keeping our mission strong by continuing to be the voice that matters for foster youth. With the help of our community, CASA is changing the trajectory of each foster child’s life so that they are not just another statistic.

Due to COVID-19 restrictions, we have made the difficult decision to cancel the 2020 Annual Crab Feed Dinner which is our largest fundraiser of the year. With this in mind, we are asking for the support of our loyal friends, and new ones, to continue our crucial work by becoming a member of CASA’s Circle of Hope.

Circle of Hope is a distinctive donor circle for those who are willing to donate $2,500 or $5,000. A donation to this fund will provide you with invitations to exclusively designed events throughout the year, and complimentary tickets to our Annual Crab Feed in 2021.

The money raised through Circle of Hope will go directly towards recruitment, training and support of compassionate volunteer Advocates who speak on behalf of foster children in our community. Did you know foster children with an Advocate are more likely to find a permanent, loving home, perform better academically, and form a stronger sense of acceptance, positivity, and achievement?

Please join Circle of Hope TODAY.

If you have any questions or would like more information, please contact me directly at 559-593-9785 or at whashimoto@casafresno.org.

Sincerely,

Wilma Tom Hashimoto
Executive Director
